Get your generic prescriptions filled for FREE at the Center for Living Well pharmacy

BY ROXANNE ROBERT

Beginning March 1, full-time Cast Members, Imagineers and family members enrolled in a Disney health-care plan are eligible to receive covered generic prescriptions free of charge at the Center for Living Well Family Healthcare pharmacy.

This promotion is valid March 1 -May 31 and is available only at the Center for Living Well pharmacy.

You and your family members can take advantage of this promotion whether you currently see a doctor at the Center for Living Well or not. And this offer is for all covered generic prescriptions, including 90-day generic prescriptions.

There is no limit to the number of prescriptions you can fill through this promotion as long as your prescriptions are eligible to be filled/

refilled during the promotional period. Maximize your savings by checking with your family members and filling any covered generic prescriptions they may need to have filled during this time period.

Prescriptions can be transferred to the Center for Living Well from another pharmacy, or a new prescription can be requested from your doctor. It's easy to transfer your prescription: Simply bring your current prescription bottle to the pharmacy at the Center for Living Well, or speak with a member of the pharmacy team.

If you have any questions about this promotion, contact the Center for Living Well Pharmacy at 407-934-2030, or visit The Hub, *Disney Difference* tab >> Health & Wellness >> Center for Living Well.

The Center for Living Well is taking the hassle out of health care for Disney Cast and your families: Experience the ultimate in integrated care and convenience with your doctor, lab, X-ray and pharmacy all under one roof. Plus, your insurance is always accepted, your privacy is held in the highest regard and your busy schedule is easily accommodated.
