ORANGE COUNTY TOWN HALLS!

Orange County Public School Teachers and Disney workers came together to deliver over 5,000 signed petitions from Orange County residents calling on Walt Disney World to drop their many property tax lawsuits, which could directly impact OCPS budget and teacher's raises.

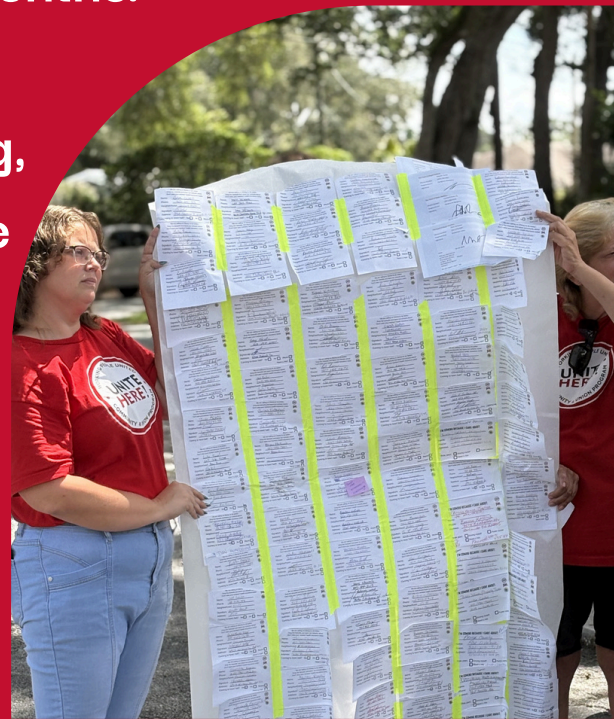

WHAT'S THE COST OF MAGIC?

Over 650 community members at 3 separate town halls have addressed Disney's property tax lawsuits and the \$119 million public school impact over the last few months.

Parents, teachers, and neighbors are speaking out about public school funding, workers' healthcare costs rising, and the

uncertainty facing
teachers and
students
heading into the
next school year.

YOUR UNION RIGHTS ARE **PROTECTED!!!!!!**

**DISNEY'S SCHEDULING SYSTEM, JEWEL,
HAS NOT BEEN HONORING OUR UNION
CONTRACT OR EMPLOYEE SENIORITY.**

After countless grievances in every area of property were filed by Local 362 Shop Stewards and our Grievance department, progress has been made with the company!

The Company and Union have agreed to test their system by taking **all bid preferences** into account and will put a **1 hour window on either side of start time requests**, which was not being done previously. We hope this work with the company yeilds better results for our schedules and fully maximizes workers' hours, as our Contract guarantees!!

ALL GRIEVANCES FILED ARE STILL PENDING HEARINGS.
