ARTICLE 5 - MANAGEMENT RIGHTS

SECTION 1. MANAGEMENT RIGHTS

Except as expressly and clearly limited by the terms of this Agreement, the Company reserves and retains exclusively all of its normal and inherent rights with respect to the Management of the business, including but not limited to, its right to hire, determine qualifications, select, direct, supervise, and control the manner, means and details by which employees perform their work duties as well as the ends to be accomplished; to determine the size of the workforce, including the number of employees assigned to any particular classification of work; the ability to create, add, amend, and/or rescind any or all employee discounts, complimentary admission, Main Entrance Passes, recognition awards, celebrations and similar type privileges and perks as long as uniformly applied on the same basis to all Walt Disney World employees of the Company, including non-bargaining unit and salaried employees; to operate the business including both establishing and making changes to the direction, promotion, transferring of employees, and hours of operations; to subcontract work, to establish and change work schedules and assignments; to lay off, terminate or otherwise release employees from duty for lack of work or other just cause; to make and enforce rules for personal grooming, and the maintenance of discipline; determine the location and relocation of any Employer facilities and to alter, suspend and/or discontinue conduct of its business or operations in whole or part, to institute technological changes; including but not limited to, work automation processes; to determine the appropriate equipment, supplies, methods and otherwise to take such measures as Management may determine to be necessary to the orderly, efficient and economical operation of the business. Any dispute arising out of an interpretation of this Article will be subject to the provisions of Article 19.

SECTION 2. BUSINESS SEGMENT DISCONTINUATION/SALE OR LEASE OF ASSETS

(a) The Company may discontinue business segments or sell/lease physical assets which include the operations without notification to or bargaining with the Union regarding the decision to discontinue, sell or lease. The parties agree and understand that the sale or lease of a physical asset may result in the continuance of operations by the third party at the Walt Disney World Resort and that such continuance of operations associated with the asset does not constitute subcontracting as defined in Article 29.

Should such discontinuation/sale/lease affect any positions covered by this Agreement, the Company will provide the Union with at least a sixty (60) day notice prior to the completion of the transaction and, upon request, meet and negotiate in good faith with the Unions to the full extent required by law with regard to the effect of the transaction on employees covered by this Agreement, including, but not limited to, severance conditions, transfer within the unit, and/or the potential for continued employment with the purchaser. It is understood, however, that agreement between the parties as a result of such negotiations is not a prerequisite to the completion of the transaction at any time after the sixty (60) days have elapsed.

(b) Should the Company subsequently re-acquire and begin to operate a business segment previously discontinued, sold, or leased pursuant to 2(a) above, such business segment shall automatically be included within the Scope of the Agreement defined in Article 4, Section 1.

ARTICLE 6 - WORK STOPPAGES AND LOCKOUTS

SECTION 1. NO STRIKE - NO LOCKOUT

During the existence of this Agreement, there shall be no strikes, picketing, work stoppages or disruptive activity by the Union or by an employee, and there shall be no lockout by the Company.

SECTION 2. FAILURE TO CROSS PICKET LINE - VIOLATION OF AGREEMENT

Failure of any employee covered by this Agreement to cross any picket line established at the Walt Disney World Resort is a violation of this Agreement. In applying the provisions of this section, however, it is not the intention of the Company to require employees to cross a picket line if, after a reasonable effort to gain entry has been made, it is apparent that such entry will result in physical violence or injury to the employees.

SECTION 3. UNION'S RESPONSIBILITY TO PREVENT WORK STOPPAGE, STRIKE OR DISRUPTIVE ACTIVITY

The Union shall not sanction, aid or abet, encourage or condone a work stoppage, strike or disruptive activity at the Walt Disney World Resort and shall take all possible steps to prevent or to terminate any strike, work stoppage or disruptive activity. No employee shall engage in activities that violate this Article. Any employee who participates in or encourages any activities which interfere with the normal operation of Walt Disney World Resort shall be subject to disciplinary action, including discharge. The Union shall not be liable for acts of employees for which it has no responsibility. The failure of the Company to exercise this right in any instance shall not be deemed a waiver of this right in any other instances, nor shall the Company's right to discipline all employees for any other cause be in any way affected by this Section.

SECTION 4. DISPUTES WITH CONCESSIONAIRES

Disputes between the Union parties hereto and any concessionaire operating in Walt Disney World Resort shall be so handled as not to interfere with the Company's business or the business of any concessionaire not a party to such disputes. No picketing or concerted action against any one or more of the concessionaires will be conducted at Walt Disney World Resort. "Concessionaire" as used herein, includes a concessionaire and also a licensee, exhibitor, participant, sponsor, contractor, subcontractor or lessee. In the event any other organization pickets at or near Walt Disney World Resort, the Unions signatory hereto agree that such picket line so far as they and the employees they represent are

concerned shall not affect the operation of the Company or concessionaires who are not involved in the dispute.

SECTION 5. EXPEDITED ARBITRATION FOR ARTICLE 6

Any party to this Agreement may institute the following procedure in lieu of or in addition to any other action at law or equity, when a breach of this Article is alleged.

(a) The party invoking this procedure shall notify the permanent Arbitrator. In the event the permanent Arbitrator is unavailable, he/she shall appoint his/her alternate. Notice to the Arbitrator shall be by the most expeditious means available, with a notice by facsimile and/or e-mail to the Business Manager of the Union alleged to be in violation of the Agreement, and a copy of the facsimile and/or e-mail to the Union Co Chairman of the Management Union Committee.

(b) Upon receipt of said notice, the Arbitrator named above or his/her alternate shall set and hold a hearing within twenty four (24) hours.

(c) The Arbitrator shall notify the parties by facsimile and/or e-mail of the place and time he/she has chosen for this hearing. Said hearing shall be completed in one session with appropriate recesses at the Arbitrator's discretion. A failure of any party or parties to attend said hearing shall not delay the hearing of evidence or issuance of an Award by the Arbitrator.

(d) The sole issue at the hearing shall be whether or not a violation of this Article has in fact occurred and the Arbitrator shall have no authority to consider any matter in justification, explanation or mitigation of such violation or to award damages, which issue is reserved for court proceedings, if any. The Award will be issued in writing within three (3) hours after the close of the hearing, and may be issued without an Opinion. If any party desires an Opinion, one shall be issued within fifteen (15) days, but its issuance shall not delay compliance with, or enforcement of the Award. The Arbitrator may order cessation of the violation of this Article and other appropriate relief, and such Award shall be served on all parties by hand or registered mail upon request.

(e) Such Award may be enforced by any court of competent jurisdiction upon filing of this Agreement and all other relevant documents referred to herein above, in the following manner:

Notice of the filing of such enforcement proceedings shall be given to the other party by facsimile and/or e-mail.

In the proceeding to obtain a temporary order enforcing the Arbitrator's Award as issued under Section 5(d) of this Article, all parties waive the right to a hearing and agree that such proceeding may be ex parte. Such Agreement does not waive any party's rights to participate in a hearing for a final Order of Enforcement. The Court's Order or Orders enforcing the Arbitrator's Award shall be served on all parties by hand or by delivery to their last known address or by registered mail.

(f) Any rights created by Statute or law governing arbitration proceeding inconsistent with the above procedure, or which interfere with compliance thereof, are hereby waived by the parties to whom they accrue.

(g) The fees and expenses of the Arbitrator shall be divided equally between the moving party or parties and the party or parties responded.

ARTICLE 7 - NEW EMPLOYEE SELECTION

SECTION 1. NOTIFICATION

The Company agrees to notify the appropriate affiliate Union of all WALT DISNEY WORLD Service Trades unit needs for employees and will provide the Union with equal opportunity to provide

applicants for such jobs. When applicable, the Company will request referrals by specifying the type of qualifications and skills required.

SECTION 2. UNION REFERRALS

The Union will refer employees on a non-discriminatory basis.

SECTION 3. COMPANY RESPONSE TO REFERRALS

The Company will respond to all Union referrals, as to hires or rejections, by completing and returning referral cards.

ARTICLE 8 – NON-DISCRIMINATION

SECTION 1. UNION ACTIVITIES

The Company and the Union agree that there shall be no discrimination against any employee due to Union activities or affiliation.

SECTION 2. NON-DISCRIMINATION AND NON-RETALIATION

The Company and the Union agree there shall be no discrimination against any employee or prospective employee due to race, color, creed, sex, age, sexual orientation, national origin, religion, marital status, gender identity, gender expression, pregnancy, ancestry, military or veteran status, medical condition, genetic information, disability (mental or physical) or on any basis prohibited by federal or state legislation. The parties further agree to support Affirmative Action efforts.

The Company and the Union agree there shall be no retaliation against an individual who has made a good faith complaint about violation of the Company's Equal Employment Opportunity and Harassment policies, or has cooperated with an investigation into a complaint of violation of these policies. Employees who believe they have been harassed, discriminated against or retaliated against, in violation of the above stated policies, should promptly report the facts of the incident and the name of the person involved to the Human Resource Department, Labor Relations Department, or Union Representative.

SECTION 3. AMERICANS WITH DISABILITIES ACT

The Company and the Union acknowledge the reasonable accommodation commitment of the Americans with Disabilities Act and the protected status of qualified applicants and employees with disabilities. Nothing in this Agreement shall be construed as intended to be a barrier to reasonable accommodation to qualified persons with disabilities, provided any proposed accommodation is reasonable and does not unnecessarily usurp the legitimate rights of other employees under this Agreement. In this regard, the Company and the Union commit to meet to resolve potential conflicts between the Americans with Disabilities Act and the Agreement.

ARTICLE 9 - UNION ACTIVITY AND CHECK OFF

SECTION 1. UNION SOLICITATION

Solicitation for Union purposes by the Union shall not take place on working time, in working areas, in public areas, nor in the tunnel complex (except in break areas contained there), but may be conducted in non-working areas and on non-working time in parking areas, break areas, and lunch rooms.

SECTION 2. ACCESS OF UNION REPRESENTATIVES TO PREMISES

Representatives of the signatory Unions, designated in writing to the Company by the Union, shall be permitted to enter the non-public areas of the Walt Disney World Resort for the purpose of determining that this Agreement is being complied with by the Company and for the presentation and handling of grievances. Such representatives, who shall not be at any one time more than a total of one

hundred (100) in number for all Agreements between the Company and the Union, unless mutually agreed otherwise, shall comply with the current access regulation and security regulation of the Company, as furnished to each Union Representative by the Company, and shall not interrupt the performance of employee work assignments.

SECTION 3. UNION ACCESS PROCEDURES

(a) Union Orientation. The Company agrees that it will allow a Union Representative access to new Regular Full Time bargaining unit employees at orientation for twenty (20) minutes to introduce their organization and distribute Union literature. The Company will provide the Union with a room of adequate size to accommodate the group, equipped with sufficient tables and chairs. The Company will reserve this room on a priority basis for the Union's use. Storage space will also be provided for the Union. Any change in the scheduling of Union Orientation will be discussed with the Union a minimum of sixty (60) days in advance.

(b) Conversion to Regular Full Time. The Union will be allowed access to those Regular Part Time employees who convert to Regular Full Time status. When large numbers of employees are converted to Regular Full Time status and operating efficiency permits, the Union may conduct a group orientation meeting in lieu of the "one-on-one" procedure. These meetings will be held in the respective operating areas.

(c) One-on-One Meetings. Authorized Business Agents will be granted access to non-members in their respective work locations. Such access/contacts will be subject to the following guidelines and restrictions:

- (1) The Union may mail, distribute or request supervision to distribute a solicitation letter to non-members within a work department/location, provided a distribution list is furnished to the Company, or in the alternative, provide the Company with the distribution list and letters for distribution. If the Union notifies the Company the mail option is elected, the Company will furnish the addresses of non-members. Supervision will neither encourage nor discourage employees from electing to meet with the Union.
- (2) The letter will not be disparaging to the Company and will clearly indicate that the employee has the option to meet or not meet with the Union.
- (3) The Company will schedule one-on-ones for employees who return a signed letter to the Union indicating the desire to meet with the Union.
- (4) Meetings will be conducted on Company time on a mutually convenient schedule. The location of the meeting site will vary from area to area. Supervision and other employees should remain away from the meeting area to afford as much privacy as possible.
- (5) Meetings should be kept to a reasonable limit (5-10 minutes), and Supervision shall be responsible for monitoring this time.
- (6) Contacts under this Section will be limited to one meeting per employee.

The Company

will not discriminate against the Shop Steward in the proper performance of his/her Union duties provided that such duties do not unreasonably interfere with his/her regular work or with the work of other employees and he/she shall not leave his/her work station without first notifying his/her appropriate Supervisor as to his/her intent, the reason therefore, where he/she can be reached and the estimated time he/she will be gone.

(b) Where the complaint or difference involves more than one (1) employee, it must be presented to Management by the Shop Steward and one (1) employee for the employees involved unless presented outside of regular working hours, or unless the Division Head involved gives permission for other additional employees to attend such presentation.

(c) The Company agrees to notify the affiliated Union in the event a Shop Steward is placed on investigatory suspension or transferred to a different work area/location. Shop Stewards shall have super seniority for the purpose of layoff, recall, and furlough only. In the event of the layoff or discharge of a Shop Steward, the Company will notify the Affiliate Union Designee in advance of the lay-off or discharge. The Union will give the Company a written statement no later than January 31st each year, identifying the amount of dues and/or initiation fees to be withheld. Additionally, the Union will provide written notice of changes to these dues and/or fees. The Company will implement such changes within ninety (90) days of receipt of written notice.

The Union agrees to indemnify and save the Company harmless against any and all claims, suits or other forms of liability arising out of the deduction of money for Union dues from employees' pay. The Union assumes full responsibility for the disposition of the monies so deducted once they have been turned over to the certified financial secretary or other properly designated official of the Union.

So that all parties to this agreement may benefit from a more efficient and less costly dues billing and remittance policy, the following shall apply:

The Company agrees to meet with those Unions capable of electronic dues processing in an attempt to reach agreement over a mutually agreed format for the processing of dues billing and remittance and the electronic transfer of funds.

In the event the term of this Agreement expires, the Company's obligation to provide the dues/fees collection and remission services (hereinafter referred to as the "Services") set out in Article 9, Section 5 will terminate if the Union does not accept the Company's offer of an extension which includes the following:

In the event a successor Agreement is ratified, the Company is under no obligation to collect and/or remit retroactive dues/fees for the period of time that the Services were terminated.

ARTICLE 19 - GRIEVANCE PROCEDURE

SECTION 1. GRIEVANCES SETTLED ACCORDING TO PROCEDURE

The parties to this Agreement agree that any grievance arising out of the interpretation or application of the terms of this Agreement, with the exception of terminations, discipline based on the Company's policies of Equal Employment Opportunity and Harassment² and policy grievances which will be expedited to Step 2, shall be settled promptly in accordance with the following procedure:

SECTION 2. DEFINITIONS

(a) Grievance: A grievance, within the meaning of this procedure, is defined as a dispute or difference of opinion between the parties concerning the meaning, interpretation, application or alleged violation by the Company of this Agreement.

(b) Time Limits: The parties recognize that it is important that grievances be processed and resolved as rapidly as possible; therefore, the number of days indicated at each step of the Grievance Procedure should be considered as a maximum, and every effort should be made to expedite the process. All termination grievances will be given priority for processing. The time limits specified may be extended by mutual agreement as evidenced by a waiver in writing signed by an authorized representative of the Company and the Union; otherwise, the grievance shall be regarded as withdrawn.

(c) Recording Devices: The parties agree that no recording devices of any kind shall be permitted to be utilized during Step 1, 2, or 3 of the Grievance Procedure.

(d) Back-pay Awards: The parties agree that any Joint Standing Committee or Arbitrator award of back pay shall be lessened by unemployment compensation or any other compensation received by the grievant during the period of termination prior to reinstatement.

(1) Back-pay awards for those employees in tipped classifications, with the exception of Banquets and Dinner Shows, will be paid at the appropriate non-tipped rate of pay as referenced in Addendum A.

(e) Information Requests: The responding party will make every reasonable effort to provide any requested, relevant information regarding grievances to the requesting party within seventy-two (72) hours. In circumstances where the responding party is unable to provide information within seventy-two (72) hours, the requesting party will be provided with an estimate of the time of provision.

(f) Any employee, believing that he/she has suffered a grievance, may discuss the matter with his/her immediate Guest Service Manager prior to initiating the formal Grievance Procedure in Section 3. The employee may choose whether to discuss the matter with his/her Guest Service Manager with or without the assistance of his/her Union representative.

SECTION 3. GRIEVANCE PROCEDURE

Step 1. If the grievance shall not have been adjusted informally with the immediate Guest Service Manager, then the grievance shall be reduced to writing upon the accepted Grievance Form which shall set forth the relevant information concerning the grievance, including a short description of the alleged grievance, the date on which the grievance occurred, and an identification of the section of the Agreement alleged to have been violated.

In order to be deemed timely, a grievance must be filed at Step 1 within fourteen (14) calendar days after its occurrence or within fourteen (14) calendar days after the employee has had a reasonable opportunity to become aware of the occurrence, whichever is later.

² The Union may request a meeting with a representative of Labor Relations prior to the 2nd Step grievance meeting or as a part of the 2nd or 3rd step grievance meeting to facilitate timely processing of the grievance.

The Area Manager or his/her designated representative and the Union Representative or his/her designated representative shall meet within seven (7) calendar days after invocation of Step 1 in an attempt to settle the grievance. It shall be incumbent upon the Union Representative to request such meeting. The Area Manager or his/her designated representative shall provide the employee and the Union Representative with a written reply within five (5) calendar days after the parties have met. If the Area Manager fails to give a written reply within the time limits provided, the grievance may be appealed to the next step of the Grievance Procedure.

Step 2. If the grievance shall not have been adjusted under Step 1, then within seven (7) calendar days from the date of the Area Manager's written decision or a date when the decision should have been submitted by the Area Manager, the grievance shall be presented in writing to the Labor Relations office.

A grievance meeting with the General Manager/Director or his/her designee, Labor Relations Representative, and the employee's Union Business Representative or his/her designee shall be held within twenty-one (21) calendar days of the grievance being recorded, in an attempt to resolve the grievance. The General Manager/Director or his/her designee shall provide the Union Business Representative or his/her designee with a written reply within five (5) calendar days after the parties have met. If the General Manager/Director or his/her designee fails to give a written reply within the time limit provided, the grievance may be appealed to the next step of the Grievance Procedure.

Step 3.

A. If a grievance regarding contract interpretation, termination, or discipline resulting in removal from a job classification shall have been submitted but not adjusted under Step 2, either party may within seven (7) calendar days after receipt of the written reply request in writing that the grievance be submitted to a Joint Standing Committee review, which shall meet within fourteen (14) calendar days of the appeal, unless extended by mutual agreement of the Company and the Union.

The Joint Standing Committee shall consist of one (1) representative of the Company and one (1) representative of the affiliated Union(s).

The Joint Standing Committee shall meet at least twice per month to review outstanding grievances referred to it. Such grievances will be presented by a Union representative of the affiliate and a Labor Relations representative. No witness or grievant testimony shall be presented. Attendance by the grievant is optional. Decisions of the Joint Standing Committee shall be final and binding upon all parties at interest. The Joint Standing Committee shall provide a written determination of all cases reviewed within three (3) calendar days after it has met. If the Joint Standing Committee is unable to resolve a grievance before it, the grievance may be appealed to the next step of the Grievance Procedure.

The parties agree that upon notification of the Labor Relations Executive or their designee and the President of the Service Trades Council Union, Step 3 of the Grievance Procedure may be waived and grievances addressing institutional issues, affecting either the Company or the Council, may be expedited to Step 4.

B. If a grievance regarding discipline that does not result in termination or removal from a job classification shall have been submitted but not adjusted under Step 2, either party may within seven (7) calendar days after receipt of the written reply request in writing that the grievance be reviewed by the Union and Labor Relations in an effort to resolve the grievance. Such meeting shall occur within fourteen (14) calendar days of the appeal, unless extended by mutual agreement of the Company and the Union.

Step 4. If the grievance shall have been submitted but not adjusted under Step 3, either party may within seven (7) calendar days after receipt of the written reply or conclusion of the Step 3(B) review request in writing that the grievance be submitted to an Arbitrator selected from a panel of seven (7) Arbitrators furnished by the Federal Mediation and Conciliation Service (FMCS). The moving party shall be responsible for requesting the list from the FMCS within seven (7) days of the request for Arbitration.

At this point, the parties have a maximum of fourteen (14) calendar days from the date the list is received, to strike the panel or mutually agree to an Arbitrator. The Rules for the FMCS shall govern the selection of an Arbitrator and the conduct of the arbitration hearing. The parties and the Arbitrator will enter into an agreement regarding the terms of the Arbitrator's engagement including but not limited to the submission of post hearing briefs and the form and time period for delivery of the Arbitrator's decision. If the Union and the Company are unable to agree upon the terms of the Arbitrator's engagement, the engagement agreement will require a written award from the Arbitrator within thirty (30) days of the submission of post-hearing briefs for grievances arising under Step 3(A) or within thirty (30) days of the hearing with no written briefs submitted for grievances arising under Step 3(B). Unless agreed upon in writing by both parties, the Arbitration hearing must be scheduled to occur within thirty (30) days from selection of the Arbitrator. The Arbitrator shall not have the authority to alter, amend, change, modify, add to or subtract from or reform any provision, Article or language of this Agreement. The Decision of the Arbitrator shall be final and binding on all parties with no further appeal, except for reasons of setting aside an Arbitrator's Award, as set forth in applicable Federal and Florida Statutes. Any joint expense incidental to or arising out of the arbitration shall be borne equally by the Company and the appropriate Union. Only one grievance shall be before a specific Arbitrator at one time.

SECTION 4. GRIEVANCE PROCEDURE

A grievance having been settled at any step of the Grievance Procedure will be affected no more than seven (7) calendar days after the date of the settlement agreement.

Employees will be notified on an annual basis of any delinquency in their pension contribution.

(b) Retiree Health Benefits

The Walt Disney World Co. and Associated Companies' Retirement Plan ("Retirement Plan") provides for health benefits for certain retired employees. Any employee with an original hire date after October 29, 1994, will not be eligible for Retiree Health Benefits. Any employee with a rehire date after October 29, 1994, also will not be eligible for Retiree Health Benefits, except in very limited circumstances provided below.

Any employee hired prior to October 30, 1994, will be eligible for Retiree Health Benefits commencing at age 65, if he/she meets the Service Criterion and retires on or after age 55. The Service Criterion is twenty (20) credited years of service and 30,000 credited hours of service earned under the Retirement Plan (or under the Disney Salaried Retirement Plan, The Disneyland and Associated Companies' Retirement Plan, or The Walt Disney Productions and Associated Companies' Retirement Plan). In order to be eligible for Retiree Health Benefits, an employee must also be at least age 55 and actually employed by the Company at the time he/she terminates his/her employment with eligibility for either early or normal retirement under the Plan. The age 55 requirement will not apply to an employee whose termination of employment occurs on account of death or who terminated employment on account of a disability, which entitles him/her to disability benefits under the Social Security Act. The Retiree Health Benefits provided will be those provided on the same basis as current active employees. Retiree Health Benefits will also be provided to the retiree's or deceased employee's eligible dependents in accordance with the health plan's rules.

An employee who is at least age 60 prior to October 30, 1994, and completes the Service Criterion thereafter, will receive his/her Retiree Health Benefits commencing at the later age of 62 or at the time he/she elects to take either early or normal retirement under the Retirement Plan. An employee who met the Service Criterion prior to October 30, 1994, will also receive his/her Retiree Health Benefits commencing at the later age of 62 or at the time he/she elects to take either early or normal retirement under the Retirement Plan, provided that such an eligible employee who is under age 60 on October 30, 1994, must terminate employment with the Company before February 28, 1995. Any employee covered by this paragraph who is rehired on or after February 28, 1995, and prior to his/her 55th birthday, will not be entitled to Retiree Health Benefits pursuant to the provisions of this paragraph. Eligibility, if any, for

the Retiree Health Benefits will be dependent upon fulfilling the requirements of the second paragraph of the Section, subject to the rehire provisions of the following paragraph. Any employee covered by this paragraph who is rehired on or after his/her 55th birthday will remain entitled to Retiree Health Benefits, under the provisions of this paragraph upon his/her subsequent retirement.

In general, any employee who terminates employment with the Company and is rehired on or after October 30, 1994, will not be eligible for Retiree Health Benefits upon subsequent retirement. However, a rehire date which occurs on or after October 30, 1994, will be ignored for purposes of the preceding rule, if the employee satisfies the requirements of Subsection (1) below and the requirements of either Subsection (2) or Subsection (3) below.

- (a) The employee has completed the Service Criterion prior to his/her rehire date; and,
- (b) The employee has reached his/her 55th birthday prior to or coincidental with his/her rehire date; or,
- (c) The employee fulfilled all of the following conditions:
 - (1) The employee has only one rehire date which occurs on or after October 30, 1994, and prior to his/her 55th birthday.
 - (2) The employee's period of termination of employment immediately prior to the rehire date is less than 366 days.
 - (3) The employee's period of re-employment following his/her rehire date is at least 365 consecutive days during which he/she is credited with at least 750 Hours of Service under the Retirement Plan.

For purposes of the above rehire rules, an employee shall not be deemed to have a termination of employment and shall not be deemed to have a rehire date that occurs on or after October 30, 1994, if the employee's termination of employment is on account of a disability defined in the Retirement Plan and the employee returns to employment upon recovery from the disability, or if the employee is laid-off and recalled within twelve (12) months of the layoff. In such cases and for the purposes of this Section, such employee shall be treated as if there was no interruption in the continuity of employment. However, a layoff in excess of twelve (12) months is deemed a termination of employment as of the first day of layoff.

SECTION 2. GROUP INSURANCE

(a) During the term of this Agreement, the Company will offer Group Insurance coverage and Signature Plan coverage to all eligible employees, on the same basis as provided to non-bargaining unit employees (including salaried employees) at the Company. It is understood that all employees in this unit who participate in any Company sponsored plan(s) do so on the same basis as non-bargaining unit employees (including salaried employees) generally and that, therefore, future changes in such plans which are applicable to non-bargaining unit employees (including salaried employees) generally shall apply equally and automatically to employees covered under this Agreement. By way of example, but not limitation, changes in such plan(s) may include termination in accordance with the plan terms, substitution of, or merger with, another plan or part thereof, improvements and modifications in the plan(s), creation of new plan(s), adjustment in contributions, etc...; all subject to the condition that where the changes apply equally to non-bargaining unit employees (including salaried employees) generally, the Company will not be obligated to bargain with the Union. Entitlement to pension and group insurance benefits shall be determined exclusively by the plan terms and not by arbitration under this Agreement.

Both the Union and the Company acknowledge and agree that in order to comply with the Patient Protection and Affordable Care Act, the health care coverage offered by the Company to its employees may need to change to ensure compliance. These potential changes need not be negotiated between the parties provided any changes are universally applicable to all participants in any Company-sponsored plan(s) on the same basis as non-bargaining unit employees (including salaried employees).

(b) Employee contribution rates for all group medical plans and tiers will be the same as or less than the contribution rates set by the Company for salaried employees.

- Effective 1/1/19 weekly employee contribution rates for the HMO shall not be increased by greater than the following amounts over the 2018 contribution rates:

Employee Only	Employee + Spouse	Employee + Children	Employee + Family
\$3.00 per week	\$10.00 per week	\$5.00 per week	\$12.00 per week

- Effective 1/1/20 weekly employee contribution rates for the HMO shall not be increased by greater than the following amounts over the 2019 contribution rates:

Employee Only	Employee + Spouse	Employee + Children	Employee + Family
\$3.00 per week	\$10.00 per week	\$5.00 per week	\$12.00 per week

- Effective 1/1/21 weekly employee contribution rates for the HMO shall not be increased by greater than the following amounts over the 2020 contribution rates:

Employee Only	Employee + Spouse	Employee + Children	Employee + Family
\$3.00 per week	\$10.00 per week	\$5.00 per week	\$12.00 per week

- Effective 1/1/22 weekly employee contribution rates for the HMO shall not be increased by greater than the following amounts over the 2021 contribution rates:

Employee Only	Employee + Spouse	Employee + Children	Employee + Family
\$3.00 per week	\$10.00 per week	\$5.00 per week	\$12.00 per week

(c) Eligible employees shall be defined as employees whose employment status is Regular Full Time. Eligible employee's coverage shall become effective no later than the first day of the month following completion of ninety (90) days continuous service.

SECTION 3. SICK LEAVE

(a) Regular Full Time employees shall receive sick leave based on the number of hours (straight time and overtime hours exclusive of the overtime premium) up to a maximum of 1800 hours worked from the date of hire to the end of the calendar year in which hired and for each succeeding calendar year thereafter. Sick leave earned in the first calendar year of service may not be used until nine (9) months of continuous service have elapsed from the date of hire and in no event prior to the beginning of the calendar year following the year in which employed. With reasonable notice, Regular Full Time employees may request the use of six (6) days sick leave per calendar year as personal leave days. Requests will be granted consistent with operational requirements.

(b) The following formula shall apply for the accumulation of paid sick leave hours each calendar year:

<u>Calendar year hours worked</u>	<u>Earned sick leave hours</u>
1800	48
1500	40
1200	32
900	24
600	16
300	8

The maximum amount of sick leave that may be earned in one (1) calendar year is forty-eight (48) hours. Unused sick leave may be accumulated up to a maximum of 200 work hours; any excess over this amount will be given to the employee in the form of an automatic payout at the end of the calendar year.

Accrued available sick leave in excess of ninety-six (96) hours will be paid upon the request of an eligible employee. Requests for payment will be accepted on an annual basis (by calendar year). Amounts paid are subject to all required withholdings. At the beginning of each calendar year, after an employee has completed the eligibility requirement, sick leave shall be made available for his/her use during that calendar year based on the above noted hour formula in the prior calendar year. Sick leave shall be paid at the rate of pay in effect at the time sick leave is requested by the employee. In order to be paid sick leave, the employee must file a request for payment. This must be done within three (3) days after the employee returns to work. In the event that three (3) or more consecutive scheduled shifts of sick leave are applied for, the Company may request a written statement from a physician certifying as to the nature and length of employee's illness. However, the Company may require proof of illness in any case if desired and an employee not furnishing such proof will not be entitled to sick leave pay. Employees will not be entitled to sick leave during vacation or on days on which they are not scheduled to work. In the event the employee incurs a non-occupational illness while at work and is released from the completion of his/her scheduled shift by the Medical Department, the employee may apply for sick leave covering the unworked balance of that shift in amounts of one (1) hour. An employee who reports for work after the start of his/her scheduled shift due to personal illness shall not be entitled to apply for sick leave pay covering the period between the start of his/her scheduled shift and the time the employee actually started to work.

(c) Employees who voluntarily terminate and who do not fall in the categories of drunkenness, dishonesty, or illegal use or possession of controlled substances will be paid 100% of earned sick leave and one half (1/2) of accrued sick leave. Terminations for the three (3) categories listed above will be paid 50% of all earned and none of the accrued.

(d) Those employees in tipped classifications will have sick leave benefits paid at the appropriate non-tipped rate of pay as referenced in Addendum A.

ARTICLE 24 - COSTUMES, UNIFORMS, AND PERSONAL APPEARANCE

SECTION 1. COSTUMES AND WORK UNIFORMS

If the Company requires an employee to wear a uniform or costume, it will be furnished at the Company's expense. Shoes shall be furnished at the employee's cost even if uniformity is required, provided they are generally accepted as street wear.

SECTION 2. SAFETY AND SANITARY CLOTHING AND EQUIPMENT

Where the Company, for safety purposes, requires the use of protective clothing, shoes, or other safety devices, other than hair nets and headbands, they will be furnished without cost to the employees. The Union agrees to require Regular Full Time employees in those classifications listed in Addendum A to use the devices furnished.

SECTION 3. LAUNDRY AND CLEANING OF CLOTHING PAID BY COMPANY

The cost of cleaning or laundering the clothing furnished under this Article shall be paid by the Company. Such clothing and other equipment will at all times remain the property of the Company and the employee who is issued any of these items will be fully responsible for seeing that they are properly cared for.

SECTION 4. PENALTY FOR LOST CLOTHING OR MISUSE OF CLOTHING AND LOST LOCKER KEYS

Each employee will be required to sign an authorization for the Company to deduct from wages the amount of money necessary to replace the employee's company furnished uniform in the event the uniform is not returned when required, or is defaced or is willfully damaged. An unreturned or lost locker key will result in a wage deduction in the amount necessary to replace the lock on an employee's locker. An employee who willfully defaces, destroys or misuses a company furnished uniform is subject to disciplinary action, including dismissal.

SECTION 5. PERSONAL APPEARANCE RULES SET FORTH IN WRITING

It is recognized that the Company may make and enforce rules relating to the personal appearance which must be set forth in writing and must be reviewed with the Union prior to implementation. In situations where an employee exceeds the size limitations of the costume of his/her current job classification, the Company will make reasonable efforts to transfer such employee.

SECTION 6. FURNISHED CLOTHING NOT TO BE WORN OFF WALT DISNEY WORLD PREMISES

Company furnished clothing is not to be worn off Walt Disney World Resort premises outside of employee's working hours without permission.

SECTION 7. UNION INSIGNIA

Employees will be permitted to wear a single pin, mutually agreed upon by the Company and Union, supporting the STCU in non-public areas of the Walt Disney World Resort provided that the pin is no larger than a quarter in size. Employees must remove the pin for scheduled tours in such areas.

ARTICLE 25 - SAFETY AND HEALTH

SECTION 1. COMPANY RESPONSIBILITY

The Company will continue to make reasonable provisions for the safety and health of its employees during the hours of their employment. The Company agrees that it will furnish and maintain sanitary toilet facilities, washrooms, lockers and changing quarters for all employees covered by this Agreement.

SECTION 2. EMPLOYEE RESPONSIBILITY

All employees shall obey the Company's safety and health rules.

SECTION 3. COMPANY UNION COOPERATION

(a) The Company and the Union shall cooperate to further the goal of maintaining safe and sanitary working conditions. The Company may hold safety meetings with required attendance by every employee covered by this Agreement, on work time, as a means of improving safety and educating employees in safe practices. A Union Representative may attend such meetings.

(b) The Company and the Union recognize the importance of a safe and violence free work environment. In this regard, both parties agree to work cooperatively to prevent and address potential work place violence issues.

SECTION 4. EXAMINATIONS

(a) The Company and the Union acknowledge that the provisions of the Americans with Disabilities Act, as well as parallel state legislation, apply to employees working under this Agreement. In this regard, the Company and the Union commit to meet to resolve potential conflicts between the Americans with Disabilities Act and the Agreement.

(b) Applicants for employment with the Company may be required to undertake a post-offer, conditional-employment medical examination. Examinations will be conducted by a licensed physician designated and paid for by the Company.

(c) Employees may be required by the Company to submit to a medical or psychological examination at the Company's expense in the following situations:

- (1) When the Company needs to determine whether an employee is able to perform the essential functions of a position with or without accommodation and/or whether the employee can perform the essential functions of a position, with or without reasonable accommodation, without directly threatening his/her health or safety or that of others;

(2) When the Company concludes that it must determine whether reasonable accommodation is required or where an employee has requested accommodation, including the nature and extent of such accommodation;

(3) When the Company concludes it must acquire medical advice to determine whether a local, state, or federal health or safety standard can be satisfied;

(4) When the Company is obligated by law to assess, monitor and/or maintain a record of an employee's health status.

(5) Upon an employee's request, an employee shall be provided an opportunity to visit Health Services on the day of his/her injury and on paid time.

(d) Pursuant to Section 2 above, the Company reserves the right to require an employee to undergo an examination by a licensed physician or certified health care provider designated by the Company at the Company's request. If the employee disagrees with the medical opinion of the Company-designated physician or certified health care provider, the employee may select, at his/her expense, a physician or appropriate certified health care provider to conduct the Company-required medical or psychological examination. The results of that examination must be submitted to the Company-designated physician for concurrence. In the event the two (2) physicians cannot agree, the Company and the employee shall select a third physician from a panel of three (3) physicians supplied by the Company. The cost of the third physician will be paid by the Company.

(e) Employees whom the Company determines are not able to perform the essential functions of a position, with or without reasonable accommodation, or who pose a direct threat that cannot be reasonably accommodated will be considered for reassignment to vacant positions for which they meet the minimum qualifications. The Company shall not be required to create "Transitional Duty" positions for permanently disabled employees. In those instances where reassignment or other reasonable accommodation is not available, the employee may be terminated or placed on an appropriate leave of absence.

(f) Employees enrolled in the Transitional Duty Program shall continue to be covered by the provisions of this Agreement.

(g) An employee's rights to disability, workers' compensation, or other benefits which are administered independently of this Agreement shall be determined exclusively by the plan terms and laws governing those benefits and not by arbitration under this Agreement.

SECTION 5. IMMINENT DANGER

No employee shall be compelled to perform work or operate equipment that poses an imminent danger to life or serious physical harm to himself/herself.

ARTICLE 26 - WORK BY SUPERVISORS

It is recognized that the duties of a Supervisor are, as the designation implies, largely of a supervisory nature. Accordingly, Supervisors shall not perform work such as that performed by the employees as herein defined, except:

- (a) For emergency purposes.
- (b) In the instruction and training of employees or Supervisors.
- (c) Work of an experimental nature.
- (d) Testing materials and production.
- (e) Start up and closing down of operations.

- (f) To protect Company property and/or to ensure the safety of guests and/or employees.
- (g) To provide uninterrupted services in order to ensure a positive guest and/or employee experience.

Work by Supervisors as described by the provisions of this Article is not intended as a means by which the Company may eliminate any bargaining unit position(s) or shift(s). In the event the Union believes that the provisions of this Article have been violated, the Union may request an immediate meeting to resolve the matter with the appropriate representative of Management and the Labor Relations Executive or their designee. All grievances arising over an alleged violation shall be subject to the provision of Article 19 – Grievance Procedure.

ARTICLE 27 EMERGENCY WORK AND RUNNING REPAIRS BY EMPLOYEES

SECTION 1. EMERGENCY WORK

Any employee may be requested to perform emergency work, which includes any situation endangering other persons or which might result in property damage.

SECTION 2. RUNNING REPAIRS

Running repairs may be performed by operating personnel covered by this Agreement, or by personnel regularly assigned to the department where the need for such repairs occurs. Running repairs are generally defined as minor maintenance repairs or adjustments which can be done without a cessation of normal operations, or where such repairs or adjustments can restore such equipment or unit to operation without an extended shut down.

ARTICLE 28 - BULLETIN BOARDS

The Company shall provide bulletin boards in all areas which are frequented by employees for the posting of official Union notices and a list thereof. The minimum size of the bulletin board will be 2' high by 3' wide for single bulletin boards and 3' high by 4' wide for double boards. The board shall be covered with glass and under lock and free of obstructions. A master key shall remain in the possession of a Department Head with copies provided to each affiliate Union of the Service Trades Council. These boards shall be used for the display of the following notices: Union meetings, Union appointments, Union elections and official Union social affairs and any Company issued information. The Union agrees not to post material of a derogatory nature regarding the Company or its personnel. It is agreed that no Union matter of any kind shall be posted in and about the premises of Walt Disney World Resort except on said Boards. It is agreed by the Union and Management that it is the responsibility of each employee to be knowledgeable of notices posted. All such Union notices shall bear a posting and a removal date.

ARTICLE 29 - SUBCONTRACTING

During the term of this Agreement, the Company agrees that it will not subcontract work for the purpose of evading its obligations under this Agreement. However, it is understood and agreed that the Company shall have the right to subcontract in the following instances and will give notice of such subcontracting to the Union when possible:

- (a) Where some work is required to be sublet to maintain a legitimate manufacturer's warranty; or
- (b) Where the subcontracting of work will not result in the termination or layoff, or the failure to recall from layoff, any Regular Full Time employee qualified and classified to do the work; or
- (c) Where the employees of the Company lack the skills or qualifications or the Company does not possess the requisite equipment for carrying out the work; or where
- (d) Because of size, complexity or time of completion, it is impractical or uneconomical to do the work with Company equipment and personnel.

ARTICLE 30 - INTERPRETATION

The parties hereto may interpret, alter or amend this Agreement by mutual action in writing, and no individual employee shall have cause to complain therefore, it being understood that any interpretation or arrangement mutually satisfactory to the parties hereto shall be binding upon all individual employees, whether such action be prospective or retroactive.

ARTICLE 31 - SEVERABILITY

It is not the intent of either party hereto to violate any laws or any rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement and the parties hereto agree that in the event any provisions of this Agreement is held or constituted to be void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement.

ARTICLE 32 – ALCOHOL AND DRUG ABUSE POLICY

For purposes of this Agreement, the terms “drug” or “drug tests” shall include both drugs and alcohol, as appropriate. The Employer and the Union recognize that many areas of the Employer's operations involve hazardous work with the potential for personal injury or property damage and that all areas involve directly or indirectly the public at large. Therefore, it must endeavor to provide safe and efficient operations for the protection and benefit of the general public, its customers and its employees. As part of its effort to achieve that goal, it must require that its work be performed by employees who do not use illegal drugs or misuse controlled substances and/or alcohol as follows:

SECTION 1. The Company recognizes that employees have a right to privacy and that any adverse action taken against any employee for off-duty conduct shall take into account the employee's right to privacy and the impact of the employee's conduct on his/her job performance, the Company's reputation, or the public's perception of the Company's contract performance. Any disciplinary action for such drug-related conduct will be subject to the Grievance Procedure. With respect to any alleged off-duty related conduct, the arbitrator will be specifically instructed to balance the employee's right to privacy in his/her off-duty time with other legitimate job-related concerns in weighing the contractual propriety of disciplinary action.

SECTION 2. Bargaining unit employees will be subject to drug and alcohol testing under the following circumstances:

- (a) Where there is an objective reasonable basis that an employee has an in-system presence of any illegal drug, controlled substance or alcohol, hereinafter referred to as “substances”, while on duty or on Company property immediately preceding or following the work shift. For purposes of this Agreement, the terms “employee” or “bargaining unit employee” includes not only persons employed in positions covered by the STCU, collective bargaining agreement, but also persons being recalled into such positions.
- (b) As part of a post-accident investigation in cases where:
 - 1. The individual(s) subject to testing is directly linked to the accident.
 - 2. The accident resulted in death, injury requiring medical treatment other than basic first aid, or property damage estimated to exceed \$4,500.00.

Testing associated with an accident will take place as soon as possible, under the circumstances.

- (c) A government agency duly concerned with Walt Disney World Co. (e.g., Department of Transportation, etc.) advises the Company that employees in specified classifications will be required to undergo job certification physical examinations, including drug tests as a condition of future employment. In such instances, the Union shall be given immediate notice of any such requirement or proposed requirement. Such testing shall be conducted in accordance with the government regulations and the procedures established by this Agreement and shall not commence until the Union and the Company have had a reasonable opportunity to discuss the impact of the government directive.
- (d) All employees working in safety sensitive classifications as determined by the Company will be subject to random drug and alcohol testing.
- (e) Random testing as part of follow-up to rehabilitation and only for a reasonable period of time after rehabilitation supervised by the Company's Employee Assistance Program, or any successor thereto, not to exceed one year. However, employees in classifications covered by the Department of Transportation (DOT) may be subject to additional testing as determined by the Procedures for Transportation Workplace Drug and Alcohol Testing Programs.
- (f) A random drug/alcohol testing program may be implemented for certain positions within this Agreement. If such a decision is made the Company will meet and agree with the affected individual Union affiliate regarding the positions subject to random drug/alcohol testing, the date of implementation and the logistics of the program. Employees transferring into any such position will be subject to drug testing prior to transfer. Such positions that are deemed to be subject to a random drug/alcohol testing pool will include testing of the same substances and at the same levels described in Section 9 below.
- (g) Employees transferring into positions for which the Company requires pre-employment testing will be subject to such testing prior to transfer.

SECTION 3. An employee will not be tested under Section 2(a) above unless his/her actions and/or conduct or other related circumstances provide an objective reasonable basis to believe that the employee may have ingested drugs or alcohol and/or is suffering from impairment that will in some way adversely affect his/her alertness, coordination, reaction, response, safety, or the safety of others, while on duty or on Company property. Where possible, this shall be discussed with the Union Shop Steward. Such observation will be confirmed by another member of supervision wherever possible and will be documented. Employees will not be subject to such testing without the express consent of a senior member of Management different from the observation Supervisor.

SECTION 4. Any employee directed for testing shall be advised of his/her right to the presence of a Shop Steward before any pre-test meetings with Management. Provided a Shop Steward has been requested and is available, no specimen will be collected until the Shop Steward can discuss the matter with Management. The Union agrees that the procedures described in Sections 3 and 4 shall not operate in a manner that will impede timely collection of a biological specimen. Refusal to provide a biological specimen will result in immediate discharge without an opportunity at a later date to reconsider/retract the refusal.

SECTION 5. Any employee who tests negative to any drug test under this Agreement (other than follow-up testing to rehabilitation) shall be compensated for all lost time, at the appropriate wage rate. Time lost under such circumstances shall be treated as time worked for purposes of premium eligibility.

SECTION 6. Specimen collection for a drug test will be accomplished in a manner compatible with employee dignity and privacy. There will be no strip searches or opposite sex observation. In the usual case, the Company will not observe specimen production, but the Union agrees that specimen production may be closely monitored in those cases where the Company has a specific objective reason

to believe that the employee may attempt to contaminate a test specimen. Any evidence of any form of tampering, altering, or diluting of a specimen will result in discharge.

SECTION 7. Test specimens shall be sent only to laboratory facilities certified by an appropriate federal or state agency. The drug test laboratory and the specimen collection facility must establish and maintain a forensically acceptable chain of custody. It will be the burden of the Company to establish, in any case arising from a positive test result, that the appropriate chain of custody has been maintained.

If a dispute should arise over the selection of drug test laboratories, such dispute shall be resolved by arbitration. The laboratory(s) selected must, upon request, identify the drugs tested for, the methods used, the manufacturers of the test, the analytical limits and levels used, the methods of reporting results and the chain of custody procedures used to produce forensically acceptable test results. To be qualified under this section, the laboratory must participate in a program of "blind proficiency" testing where they analyze samples sent by an independent party.

SECTION 8. Specimen collection shall be accomplished at laboratory facilities certified by the U.S. Department of Health and Human Services under the National Laboratory Certification Program and designated by the Employer.

All specimens identified as positive in the initial test will be confirmed by a second procedure. Gas chromatography/mass spectrometry or an equivalent scientifically acceptable method of confirmation will be used. All confirmed positive test results will be verified by a Medical Review Officer prior to release to the Company. The Medical Review Officer, upon written request from the employee, will report test results to the Union Business Agent.

SECTION 9. The standard drug test thresholds for positive screen and GC/MS confirmation tests shall be the same as those called out in the Federal Register, and may be modified whenever changed by the Department of Health and Human Services as advances in technology or other considerations warrant identification of new substances and/or concentrations.

In the event that the Company elects to utilize tests other than the EMIT screen or the GC/MS Confirmation, the Company will give the Union written notice of the test methodology used and the threshold levels employed. Positive thresholds for any other test methodologies will be reviewed with the Union before they are applied. Any dispute over the acceptability of such alternative test methodologies or the positive test threshold to be applied shall be resolved by arbitration. It will be the burden of the Company to establish the acceptability of the test and the reasonableness of the threshold.

SECTION 10. The laboratory shall preserve a sufficient aliquot specimen as to permit independent confirmatory testing by the employee and follow-up re-analysis at the request of the Union or the Employer. Any re-analysis performed will be done on the original sample provided. The Medical Review Officer shall endeavor to notify the Employer and the employee of positive test results within five (5) working days after receipt of the specimen. The employee may request, in writing, a re-analysis within three (3) working days from notice of positive test result. Additionally or as an alternative, the employee may have the sample tested at a certified laboratory of his/her choice. Should this test result be negative, the test results will be considered negative.

SECTION 11. Initial tests and re-analysis requested by the Company will be paid by the Company; costs of re-analysis for reconciliation will be split between the employee and the Company. In the event the initial test is proven to be a false positive the employee shall be reimbursed for cost of test procedures paid for by the employee.

SECTION 12. The drug test laboratory and the specimen collection facility must establish and maintain a forensically acceptable chain of custody. It will be the burden of the Company to establish, in any case arising from a positive test result, that the appropriate chain of custody has been maintained.

SECTION 13. Where employees are required under this policy to submit blood samples for alcohol testing, the samples will be taken in an appropriate collection facility. The collection facility and laboratory will use the same or equivalent chain of custody procedures and exercise the same or an equivalent level of professional care and scientifically accepted standards and procedures in the collection and testing of blood samples for the presence of alcohol as with urine samples for the presence of drugs. For the purposes of this policy if a test reveals the presence of alcohol at a level of .08% or more by weight, it shall be presumed that the employee has violated this policy. If the test reveals the presence of alcohol in excess of .05% by weight, but less than .08%, the results of the test will be considered along with all other relevant information (e.g. employee conduct, speech, performance, etc.) in determining whether the employee is in violation of this policy. If a test reveals the presence of alcohol of less than .05% by weight, it shall be presumed that the employee is not under the influence of alcohol in violation of this policy. The presumption regarding the presence of alcohol of less than .05% by weight is rebuttable based on consideration of all other relevant information (e.g., employee conduct, speech, performance, etc.). The Company bears the burden of proof in rebutting such presumption. In the event an employee objects to alcohol testing by blood sample, the Company will test the employee through an evidentiary alcohol breath analyzer which conforms to the same standards as cited above.

The parties agree that use of an evidentiary alcohol breath analyzer, which is properly calibrated and which is operated by a certified technician, shall be conclusive proof of the accuracy of the results.

Furthermore, the Company reserves the right to abandon blood samples in favor of the alcohol breath analyzer referenced above.

SECTION 14. Any employee who has a confirmed positive test will be required to participate in the Employee Assistance Program (EAP). Failure to seek and receive EAP assistance or failure to abide by the terms and conditions or prescribed treatment will be grounds for discharge. If an employee is subject to disciplinary action under existing practices, the use of substances shall not be a defense to circumvent existing practices or to avoid disciplinary action. Participation in the EAP shall be taken into account in considering appropriate disciplinary action. No employee shall be discharged as a result of a positive drug or alcohol test pursuant to Section 2(a), (b), (e) or (f) above, so long as he or she agrees to participate in an EAP, the cost of which will be covered by Company-provided health insurance to the extent required by the plan terms. In instances where it is necessary, a leave of absence may be granted for treatment or rehabilitation through the EAP for substances on the same basis as it is granted for other medical conditions.

SECTION 15. Test results shall be communicated by the Medical Review Officer, or the designated Company representative. The Company shall be responsible for maintaining confidentiality of test records and test results will be communicated to job site Management strictly on a "need to know" basis. Employee drug test records shall not be released outside the Walt Disney World Co. medical department unless required by administrative action initiated by the employee or the Union. The employee shall be entitled to written notification of positive drug test results. Copies of such reports will be provided to the Union when authorized in writing by the affected employee.

SECTION 16. Except in the case of a positive random test after referral to the EAP which shall be conclusive proof of just cause for termination, when and if it becomes necessary to impose discipline for drug-related conduct or job performance, discipline will be judged by the contractual just cause standard and will be subject to the grievance/arbitration procedure. Except to the extent the employee(s) withholds written consent as to particular documents personal to him/her, the Company agrees to provide the Union, in advance, with whatever documentation or information the Union reasonably requires to process the grievance and/or arbitration. By establishing this policy, neither the Company nor the Union waives any legal rights. The parties agree that this drug policy shall not diminish the rights of individual employees under state or federal law relating to drug testing.

SECTION 17. The Company shall provide education for Management personnel regarding observation techniques, the availability and desirability of the Employee Assistance Programs and the need for observing strict confidentiality. Supervisors will be provided guidelines for maintaining

confidentiality of all drug-related information and referring employees who may have a problem to appropriate counseling.

SECTION 18. The Company agrees that it shall indemnify and hold the Union harmless against any and all complaints, claims, judgments, or demands that may arise out of, or in any way are related to, the Union's negotiation or participation in the foregoing drug policy applicable to bargaining unit employees and applicants, or the Company's activities in carrying out this drug testing program.

ARTICLE 33 - LABOR/MANAGEMENT OPERATIONS AND SAFETY COMMITTEE

The Company and the Union recognize the mutual benefit of meetings of representatives from both parties. Therefore, the parties agree to establish joint Labor/Management Committees to maintain open lines of communication and to discuss and resolve issues. Each Committee will be co-chaired by the Chief Officer of the affected Affiliate Union or his/her designee, and the designated Executive from Operations or his/her designee. It is understood and agreed the Committee will not have the authority to receive or resolve grievances or engage in collective bargaining. The Company and the Union will agree on the number of core committee attendees for each Committee and the frequency for each Committee by line of business, job classification, or work location. Either party, within reason, may invite appropriate subject matter experts deemed necessary. Shop Stewards designated by the Union to attend the Committee meeting during his/her scheduled shift will be paid for the time attending the meeting.

Agenda items will be submitted by the parties in advance of the meetings. Each meeting will contain the Agenda item of Safety. The Committee may consider the following as it relates to workplace safety:

- (a) Evaluation of health and safety issues through means such as, but not limited to, examination of records, inspections, and employee interviews;
- (b) To identify additional or improved health and safety training needs;
- (c) To meet with and make recommendations to the G.M./Director with operational responsibility for the area in question regarding (a) and (b) above.

ARTICLE 34 - TERM OF AGREEMENT

SECTION 1. TERM

This Agreement, and any further amendment or supplement hereto, shall be in full force and effect from September 24, 2017 through October 1, 2022, and from year to year thereafter, subject to the right of either party to terminate the same at the anniversary of October 1 following October 1, 2022 upon the giving of written notice of termination not later than sixty (60) days next preceding the effective date of such termination.

SECTION 2. COMPLETE AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties, after the exercise of that right and opportunity, are set forth in this Agreement. Therefore, the Company and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, except as provided specifically in Section 2 or 3 of this Article, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and effective as of the day and year first above written.

1. Face Premium

The Face Premium is paid only to named Disney Characters, that is, Character portrayals such as Cinderella or Peter Pan. The premium is paid in two (2) hour increments as a minimum and in one (1) hour increments thereafter for all hours worked in a qualifying face role. When applying this particular premium, the following provisions will apply:

- (a) Where a Cast Member is scheduled for the entire day in a qualifying face role, and is involuntarily assigned under the direction of Management to a role which does not qualify for the premium, and the assignment is less than twenty-four (24) hours prior to the start of the scheduled shift, they will still receive the premium for the entire shift. If the assignment is made twenty-four (24) hours or more before the start of the scheduled shift, the premium will not be paid.

If the assignment is made twenty-four (24) hours or more before the start of the scheduled shift, the premium will not be paid.

- (b) The performance of additional qualifying shows beyond the normally scheduled number of shows, but which occur within a Cast Member's shift, do not warrant the payment of additional premium pay beyond the Cast Member's rate in effect plus the Show Premium.
- (c) If a Cast Member is scheduled for a four (4) hour call which involves the performance of a qualifying show, they will receive the premium for the entire four (4) hour call.

- C. QUALIFICATIONS On those occasions when the Cast Members of the Walt Disney World are requested to perform in a road show or to appear in any Walt Disney World promotion, production, or presentation requiring overnight accommodations at an off-property site, the Company will endeavor, within operational constraints, to send a Walt Disney World Cast Member represented by Teamsters Local 385 on the trip.
- D. TRAVEL TIME Management will determine the hours for which a Cast Member will be compensated for travel during business trips based on the following guidelines:
1. A Cast Member scheduled to travel at the beginning or end of a work shift will be paid for his/her normal straight time hours plus additional travel hours not to exceed a combination of twelve (12) total hours for time spent in travel.
 2. Actual travel time occurring on a Cast Member's day off or holiday and which corresponds to a normal scheduled shift will be paid and considered as hours worked for the purpose of computing overtime, with a minimum four (4) hour call, and thereafter actual travel time up to a maximum of eight (8) hours pay.
- D. HOURS WORKED
1. Cast Members will be guaranteed a minimum eight (8) hour day for each day of scheduled work while on a business trip. This time may not necessarily be consecutive time, but shall not be broken into more than two (2) separate calls.
 2. Hours worked in excess of eight (8) in a day or forty (40) in a week will be paid at the overtime rate.
 3. Cast Members may be scheduled for a break in shift if there is a period of at least three (3) hours of time between the end of one call to the start of the next call. If less than a three (3) hour break is allowed, the Cast Member will be paid from the beginning of his/her shift to twenty (20) minutes after the completion of the final performance or upon return to the hotel. The return to the hotel shall not be interrupted unless by mutual agreement of the Cast Member(s) and the Manager.
 4. Cast Members may be scheduled for days off while on a business trip.
 5. All Cast Members will be guaranteed a forty (40) hour week on business trips that encompass all seven (7) days of the payroll week.

For purposes of this provision, the payroll week is defined as in Article 10, Section 1 of the Regular Full Time STCU Agreement.

If a Cast Member does not begin a meal period prior to commencement of the sixth (6th) hour of work, they will be paid a meal penalty for delayed meals as follows:

First one-half (½) hour meal delay or fraction thereof:	\$8.00
Second one-half (½) hour meal delay or fraction thereof:	\$10.50
Third and each succeeding one-half (½) hour meal delay or fraction thereof:	\$13.00
- Cast Members will not be eligible for meal penalty when the time period coincides with air travel if:
- (a) an opportunity to purchase a meal prior to boarding is given; or

 - (c) immediately upon disembarking, the Cast Member is offered a choice of a meal in the airport facility. If all Cast Members agree to wait until another facility is available, meal penalty will be waived for a two (2) hour period. If a meal is not provided in this two (2) hour time frame, the meal penalty will then begin. If any or all of the Cast Members want to eat immediately upon disembarkation and a meal is not provided, the meal penalty will be invoked from the time of disembarking until said meal time is scheduled; or
 - (d) the Company provides a French meal. The Company, in lieu of a meal break, may provide a meal of acceptable quality within the same time range. No penalty payments are required. Once distributed, a minimum fifteen (15) minute break will be called to allow the Cast time to eat without leaving their assigned work station/location. Work time shall be continuous unless a break of one (1) hour is provided. Food and beverages supplied as a French meal are at the Company's expense.
9. Upon the request of a Cast Member, made a minimum of seven (7) days in advance of a scheduled business trip, the Company will make every effort to furnish the Cast Member with his/her paycheck and make banking arrangements as necessary. APPENDIX A³

The following parties agreed to settle a dispute over the usage of performers covered under the Equity collective bargaining agreement and Characters covered under the Service Trades Council Union agreement: Actors' Equity Association ("Equity"), the International Brotherhood of Teamsters, Local 385 ("Teamsters") and WALT DISNEY WORLD CO. ("the Company"). This agreement to settle reached by the parties without any admission of wrongdoing or liability, but rather is based on the recognition that harmonious labor relations demanded a good faith effort be made to reach a mutually satisfactory resolution among the Unions involved while at the same time maintaining for the Company the continued ability to use Equity performers and Characters in a fashion consistent with past practice except where specifically modified by the terms of this agreement. Based on this premise, the parties to this settlement agreement do hereby agree as follows:

1. Principal actors and singers are covered and will continue to be covered by and subject to the terms of the Equity/WDW collective bargaining agreement. Principals include:
 - performers who play roles in stage shows, whether acting, singing, dancing or performing stunts, except named Disney Characters who do not sing live, speak scripted dialogue, or named Disney face Characters who do not perform stunts or perform advanced dance (such as Cinderella on point or partnering with lifts);
 - improvisational actors;
 - atmosphere actors, which includes atmosphere work where the actor is expected to enact scenes or do stunt work (this does not include Character Meet and Greet work, such as CHARACTER BREAKFASTS, or simple atmosphere enhancement such as Disney's Hollywood Studios NEWSBOYS, GREEN ARMY MEN);
 - story tellers, excluding named Disney Characters who read stories;
 - master of ceremonies, narrator, announcer and disc jockey work.
2. Those performing parade work, except those performing live singing, improvisational acting, or speaking scripted dialogue (example: Director role in Studio parade) are and will generally be covered by and subject to the terms of the Service Trades Council Union collective bargaining agreement. Performers stashed in the Equity unit may also be assigned to appear in parades (see Paragraph 10).
3. Those performing pageant or "flood" work are and will continue to be covered by the Service Trades Council Union collective bargaining agreement.
4. All those performing named Disney Character work are covered by and subject to the Service Trades Council Union collective bargaining agreement, except named Disney Characters engaging in live singing or speaking scripted dialogue, and except advanced dance by named Disney face Characters (such as Cinderella on point or partnering with lifts), which is Equity work.
5. Character Meet and Greet work is covered by the Service Trades Council Union collective bargaining agreement. However, performers in the Equity unit will continue to be assigned to do Meet and Greet work in accordance with past practice, such as when shows are lost, or to maintain Character continuity on tour or during conventions and special events.
6. Those performing story reading by named Disney Characters are covered by the Service Trades Council Union collective bargaining agreement (this does not preclude the reading of stories by Merchandise host/hostesses or similar classifications as part of a spontaneous Take Five or Magical Moment type of guest experience).

³ Should any discrepancies arise, the original signed document will prevail

7. Ensemble performers continue to be covered by and subject to the terms and conditions of the Equity collective bargaining agreement as follows:
- the ensemble of any “book” show (where there is a script and a plot) where the performers portray people (such as POCAHONTAS ensemble portraying the tribespeople and British sailors, or the BEAUTY AND THE BEAST ensemble portraying townspeople, servants and guests), or portray animals with individual personalities and human characteristics;
 - the dance ensemble of any dance or musical stage show (such as KIDS OF THE KINGDOM, PLEASURE ISLAND DANCERS, or HOLLYWOOD HOLLYWOOD type shows), including “stage shows” which the Company directs to be performed on a non-traditional surface (such as CANIDANSE) or which are of an ethnic nature (such as POLYNESIAN LUAU). This does not include parades;
 - singing ensembles for all “stage” shows and conventions (such as VOICES OF LIBERTY). This does not preclude the use of cast and volunteer choirs for special holiday events and special events. This does not include unison flood singing (such as the finale to JOLLY HOLIDAYS);
 - stunt and acrobatic ensembles (such as EPIC STUNT THEATRE or the RED PANDA acrobats). This does not include Character skills like stilt walking, in line skating, bicycling, or skate boarding, if the individuals performing such activities are not also singing live, doing improvisational acting, or speaking scripted dialogue.
8. Ensemble performers are covered under the Service Trades Council Union collective bargaining agreement as follows:
- as puppeteers in “book” shows where they do not also portray people and sing or speak live (such as VOYAGE OF THE LITTLE MERMAID, THE LION KING, Grandmother Willow in POCAHONTAS, or the Drug Awareness Program). Such puppeteers may be seen and/or have faces showing as long as they are neutral in character and without personality;
 - in stage shows when costumed as named Disney Characters; or in stage shows when costumed in a fashion which covers the full face or when costumed with faces showing but where the Characters do not portray people or animals with individual personalities and/or human characteristics, or sing or speak scripted dialogue or perform dance movements beyond what the average person with reasonable coordination can learn in a relatively short period of time.
9. The Company may assign ensemble performers under either the Equity agreement or the Service Trades Council Union agreement as follows:
- as extras to augment a Dance ensemble covered by the Equity agreement (such as SPARKLING CHRISTMAS SPECTACULAR, JOLLY HOLIDAYS, or TOTALLY MINNIE);
 - as ensemble for in-house Cast Member events (such as Guest Fanatics Awards, 5-Star Awards or Department Christmas Shows). This does not preclude the appearance of O & T or Management personnel in such shows on an occasional or sporadic basis as a show feature;
 - as extras to augment named Disney Character shows (such as FROM ALL OF US TO ALL OF YOU and SPLASHTACULAR [except as to the six featured girls and the kick line, on which there remains a disagreement]);
 - in street performances by parade cast, Characters or performers which are part of a larger spectacular event (for example, Marketing events, grand openings or the Millennium celebration). If the spectacular is ongoing, the Company agrees to consult with either Union, on request, regarding its casting assignments.

In all instances under paragraph 9, all performers in the referenced group would be covered under the same agreement.

10. If any performers covered by the Equity agreement are assigned to perform work normally covered by the Service Trades Council Union agreement (for example appearing in parades or Meet and Greet sets at conventions), the Equity unit performers' pay shall not be reduced in such instances. If Characters are assigned to perform Equity work, they shall be paid the higher of the Character's own rate or time-carded up in accordance with the Equity collective bargaining agreement. The assignment of Characters to perform work normally covered by the Equity agreement shall be limited to occasional or short term basis (such as "subbing" for a Principal or holiday/seasonal show). The time-carding up shall be for the period of time in which the Equity work is performed. During such periods, each group, be it Equity or Character, shall remain subject to the terms and conditions of the collective bargaining agreement to which they are statused.
11. All shows prior to the date of this agreement are hereby "grandfathered" with the following exceptions:
 - if the "Russian Dancer" role as it is presently choreographed is used in SPARKLING CHRISTMAS SPECTACULAR or a similar holiday show, it will be covered under the Equity agreement;
 - HUNCHBACK; which the parties have handled separately.
12. These guidelines shall have no effect on, nor shall they serve as a waiver of any right which exists to assign work to any group excluded from coverage under either collective bargaining agreement.

In the event we have a future disagreement with either Union on this issue, we have agreed that we will attempt to informally resolve that dispute by submitting it to a tripartite Committee consisting of representatives of the Company, Equity and the Teamsters. This group will make a non-binding recommendation for resolution.

APPENDIX B

PROCEDURAL AGREEMENT⁴

This document sets forth agreement among Walt Disney World Co. (Company), Actors' Equity Association (Equity), and the International Brotherhood of Teamsters Local 385 (Teamsters) as to procedures for determining jurisdiction and resolving disputes as to jurisdiction over the assignment of work by the Company as Character or Equity work. Such determination shall be in accordance with the 1997 Settlement Agreement between the Company, Equity and the Teamsters (1997 Settlement Agreement) (Appendix A) which defines the jurisdiction of each of the two unions with regards to entertainment work assigned by the Company.

When the Company has determined that it will produce a new performance, or that an existing performance will be substantially changed (e.g. change in duties, reassignment of duties, and/or increase or decrease in the number of performers), the following steps will be taken:

1. Where Character and Equity Performers have been assigned to perform together during the same performance, a script or storyboard and cast breakdown will be sent to both unions by the Company no less than ten (10) calendar days prior to auditions for either Characters or Equity performers.

For new or substantially changed performances where only Character or Equity Performers have assigned to perform, upon the request of either Union, the Company agrees to provide a copy of

⁴ Should any discrepancies arise, the original signed document will prevail.

the script or storyboard and cast breakdown within five (5) business days of the request or when the script or storyboard is available.

2. Representatives from the Company, Equity, and the Teamsters shall meet prior to such auditions, however if either of the Unions are not available, the Company shall not be impeded from moving forward with the audition, rehearsal or first public performance.
3. Rehearsals will be viewed by representatives of both unions to ensure that the show as finally staged, is cast in accordance with the correct jurisdiction as set forth in the 1997 Settlement Agreement and the two Unions' collective bargaining agreements with the Company.
4. The parties agree that any disputes regarding the assignment of work by the Company as Character or Equity work shall not be grieved by the Unions and must be submitted to a tripartite committee consisting of representatives from the Company, Equity, and the Teamsters.

If the parties cannot reach a resolution through use of a tripartite committee, the parties agree to follow the steps below for jurisdictional disputes:

A. Arbitration – The dispute will go to expedited arbitration as set forth below:

1. The parties shall designate a permanent panel of three arbitrators, with each party designating one arbitrator (Richard P. Deem, Jack Clark, James J. Sherman). Each arbitrator shall hear disputes on a rotating basis; however, in the event a member of the panel is not available to hear a dispute in his proper turn, the next arbitrator on the panel shall be substituted.
2. The parties should reach agreement concerning any jurisdiction dispute within four (4) weeks after the first public performance before any audience (the "soft opening"), or the issue will be submitted to arbitration by the party or parties raising the dispute.
3. The arbitration shall take place within two (2) weeks after the postmark date on the letter to the arbitrator by the party initiating the arbitration, and the Arbitrator has seventy-two (72) hours after hearing the case to make a determination. The Arbitrator's determination shall apply only to the show where the jurisdictional issue has occurred. The arbitrator shall have no authority to add or modify the 1997 Settlement Agreement or the collective bargaining agreements between the Company and the Unions.
4. Evidence concerning past practices submitted in the arbitration will be limited to only those practices on the Walt Disney World Resort Property as defined in the scope of the Collective Bargaining Agreements with Equity and the Service Trades Council Union/Teamsters.
5. Each party will put forth a remedy and the arbitrator shall choose one of those remedies. Two (2) of the three (3) parties can submit the same remedy, although no weight shall be given to the fact two (2) parties are in agreement. The decision will be based on the validity of the evidence and argument, not majority rules. The remedy requested by the parties shall be limited to the show where the jurisdictional dispute has occurred.
6. The parties to this agreement agree to pay one-third (1/3) of the costs associated with an arbitration resulting from a jurisdictional dispute.

B. Changes after Casting as a result of Tripartite Committee resolution or arbitration:

1. If a role has been cast as a Character, which is then deemed to be an Equity role, the Company may offer an Equity contract to the most qualified candidate. If the Character performer is offered an Equity Individual Employment Contract (IEC), the Company will give consideration as to the length of the Equity contract (IEC), so that the Cast Member will have the option of returning to the STCU/IBT bargaining unit prior to one (1) year, and not lose their seniority rights per Article 13, Section 6, of the Full Time STCU Agreement currently in effect. However, if the Character Performer accepts the IEC and later opts to return to the STCU/IBT bargaining unit, they will be

precluded from exercising their seniority for the purpose of bidding lines as stipulated in Attachment 4A.1.(c) the current IBT Addendum Agreement.

2. If a role has been cast as Equity, which is then deemed to be a Character role, and is to be covered under the STCU/IBT Agreements, the Company will make every effort to place said performer in another show on property in a role covered by the Equity Agreement, or, solely at the performer's option, the Company may retain the performer in the original role, placing the performer in the role covered under the STCU/IBT Agreements. If the performer cannot be placed elsewhere in an Equity role or refuses to be placed in another Equity role or does not wish to remain in the original role covered by the STCU/IBT Agreements, the Company may terminate the Performer's contract with two (2) weeks notice as specified in Rule 8(I) of the Equity Agreement currently in effect; and, if applicable, the performer will receive the severance package as specified in Rule 8(H)(1) of the Equity Agreement currently in effect; and, if the Performer is on a first year contract, the Company will provide relocation, if applicable, as specified in Rule 9 of the Equity Agreement currently in effect.

Tipped Bell Services employees, when training other Tipped Bell Services employees, will be paid at the base Hospitality Host/ess rate, plus training premium of fifty cents (\$.50) per hour, plus tips.

Scheduling

The following will be considered agreed upon definitions related to schedules:

- Shift: The hours an employee is scheduled, from start time until end time, within one (1) day.
- Line: A combination of scheduled shifts and consecutive days off within the workweek.
- Bid Schedule: A combination of all lines within the bidding location.
- Posted Schedule: A combination of the schedule bid and any other shifts deemed necessary by business needs for the week scheduled.

★ The scheduling procedures listed below are exclusively for the Bell Services Regular Full Time Tipped Cast Members and do not establish any precedent whatsoever for any other areas and/or departments. The scheduling procedures include all Regular Full Time personnel in the department, excluding statused third shift Bellmen. Daily staffing will continue to be accomplished utilizing a traditional master schedule in accordance with operational requirements.

1. ★ Management will calculate the top fifty percent (50%) of Regular Full Time employees excluding graveyard by seniority prior to the scheduling process. If an uneven number of people result, Management will round off to the next whole number, e.g., 6.2 = 7. Should an employee in the top

★ *This provision only applies to Regular Full Time employees*

fifty percent (50%) select a floater line, then the top senior employee not in the top fifty percent (50%) shall be included.

When creating the pool of shifts for employees to select from, Management will include all shifts that are anticipated to be needed on a regular basis until the next schedule bid.

In order of seniority, the top fifty percent (50%) of eligible employees in the department will participate in the selection of their individual schedule. Those individuals will select their shifts within the following parameters:

- Employees must select two (2) consecutive days off. In the event that a Cast Member voluntarily requests split days off, it may be granted based on Management discretion.
 - Employees must select all a.m. shifts by day (a.m. is a start time by noon) or all p.m. shifts, by day (p.m. is a start time after noon). In the event that a Cast Member voluntarily requests a mix of a.m. and p.m. shifts, it may be granted based on Management discretion.
2. ★ Management will then create the remaining lines. The employees will then make their selections in accordance with seniority:
- Fifty percent (50%) of all lines excluding third shift will be cherry pick. If an uneven number of people result, Management will round off to the next whole number, e.g., $6.2 = 7$
 - Up to twenty-five percent (25%) of all lines excluding third shift will be p.m. floats. If an uneven number of people result, Management will round off to the next whole number, e.g., $6.2 = 7$
 - All remaining lines excluding third shift will be floats consisting of a.m. and/or p.m. shifts.
 - Twenty-five percent (25%) of the p.m. floats and twenty-five percent (25%) of the floater lines will have days off assigned
 - In the event that an a.m./p.m. float Cast Member floats into a p.m. line, whoever has the greater seniority will have the preference on the more desired shift
 - The floater schedule will cover vacation relief
3. If available, a Regular Part Time employee will be scheduled to cover the third shift in the event the employee who has bid that line is on vacation, a leave of absence, or in the event of any vacancy, for a period not to exceed sixty (60) days. If a Regular Part Time employee is not available, the least senior available Regular Full Time Tipped Bell Services employee will be assigned this shift, for a period not to exceed sixty (60) days per calendar year. Once the least senior available employee has worked sixty (60) cumulative days in a calendar year, shifts will then be filled by the next least senior available employee.
4. ★ When Management changes a selected bid schedule for an employee due to business necessity, all shifts that are available, including floater shifts, will be available for selection by the affected employee by seniority. If a more senior employee has selected a floater line, then that employee will select his/her shift first. The remaining shifts will be assigned to floaters by seniority. All shifts that cannot be scheduled will then be covered by Regular Part Time employees. Regular Part Time employees will be scheduled last.
- (a) Management will make every reasonable attempt to contact affected employees for a schedule change within forty-eight (48) hours. This will allow affected employees to select a new shift from available shifts prior to the weekly schedule posting. If, for any reason, employees cannot be contacted within forty-eight (48) hours, Management will assign a schedule as close to the bid line as possible and continue the schedule posting.
 - (b) If schedule changes are necessary after a posted schedule, then Management has the right to make schedule changes as required to manage the operation without references to the pre-posting process.

(c) A minimum of two (2) schedule picks/bids per year will be conducted.

Upon transfer to a new resort, existing Regular Full Time Bell Services Tipped Employees will be eligible to exercise his/her seniority for time of day, hours per week, and location as a float Cast Member until the time of the next schedule bid. This provision does not apply to days off.

5. ★ If Full Time lines are added to the schedule in-between bids, and have been available for forty-five (45) days or longer.

When Full Time lines are added to the schedule either by converting Regular Part Time shifts or by business necessity, they will be filled through the transfer procedure and not by first converting affected Regular Part Time employees to Regular Full Time. If there are no Regular Full Time candidates from ReCasting (including Tipped Bell Services third-shift personnel), Management may then fill the position through Regular Part Time conversion or the new hire process.

6. ★ Regular Full Time/Regular Part Time Mix

The Company agrees to preserve seventy percent (70%) of the total hours paid in Bell Services Tipped to Regular Full Time employees; the premium segment of resorts will not drop below seventy percent (70%). In the event the monthly average falls below seventy percent (70%) the Company will open Regular Full Time positions within forty-five (45) days to bring Full Time hours with-in compliance. The penalty for the Company's failure to not adhere to the above set guidelines by adding Full Time lines within forty-five (45) days after failing to maintain a seventy percent (70%) average of Full Time monthly hours will be as follows:

The employee on the top of the Casting skill code list for the open position will receive a payment of twenty dollars (\$20.00) per day for each day from the time the grievance is filed with Labor Relations until the transfer process has been initiated.

7. Scheduled third-shift (Graveyard) Tipped Bell Services employees will be paid the appropriate Hospitality Host/ess rate between the hours of 10:30 p.m. and 7:00 a.m. In addition, any employee covering a third shift line due to call sick, etc., will be paid the appropriate Hospitality Host/ess rate between the hours of 10:30 p.m. and 7:00 a.m. This does not apply to employees whose shifts overlap into this time period for any reason. The time paid at this rate should not exceed a total of eight hours during this defined period based on the timing of the employee's thirty (30) minute unpaid lunch.

★ Employees covered under the one (1) year rule (Article 13, Section 7) will be subject to bargaining unit seniority to bid shifts after employees with one (1) or more years in the Bell Service classification have made their selections. Seniority of those employees transferring from a non-tipped area who have transferred into a Tipped Bell Services position will be by seniority date based on the date of transfer, until able to exercise Company seniority in the schedule bid process. The new hire seniority date will be honored after the transfer's seniority has been considered.

Shop Stewards

Tipped Bell Services Shop Stewards will be paid at their appropriate Hospitality Host/ess rate for the actual time (rounded to the nearest tenth) when they are taken out of rotation at Management's request. The Shop Steward Card will be kept in rotation, and, if front missed, Bellman becomes first person up.

★ Transfer Procedures

In order to be considered for an open Regular Full Time Bell Services position, the employee must be on the Casting skill code list for each specific Resort at the time the requisition is opened. The employee selected for the position will be notified by Casting and transferred to the open position. For Bell Services Tipped openings, the open position will be filled by eligible Cast in the following order:

Company Vehicle Operations Standard

The parties recognize the Company's obligation to provide a safe means of transportation to its guests and agree that all accident occurrences must be investigated on an individual basis. In lieu of the provisions of Article 10, Section 6 of the STCU Main Agreement, the parties agree as follows:

1. A minimum time of one-half (½) hour to a maximum of one (1) hour unpaid meal break will be assigned to each employee scheduled to work more than seven (7) hours. For all shifts, other than Costuming/Cosmetology shifts that start after noon, such meal break shall be taken as near as practicable to the mid-point of the scheduled shift, but not before four (4) hours nor later than six (6) hours from the beginning of the shift. In any Costuming/Cosmetology shift, that starts after noon and where a first meal break is taken, such meal break shall be taken as near as practical to the mid-point of the scheduled shift, but not before two (2) hours nor later than six (6) hours from the beginning of the shift.
2. Any Entertainment Technician shift, where a lunch is required, shall be paid a minimum of eight (8) hours.
3. If an employee covered by the I.A.T.S.E. (excluding Transformational Experiences) has notified the shift manager in advance and does not begin a meal break or receive a French meal beginning with the seventh (7th) hour of work, he/she will be paid a meal penalty for delayed meals as follows:

Third and each succeeding one-half (½) hour meal delay or fraction thereof	\$10.50

Employee must notify the shift manager of impending meal penalty a minimum of thirty (30) minutes prior to penalty. Failure to do so eliminates the Company's obligation to pay the prescribed penalty. Daily Ops shifts are excluded from notification requirement unless the Employee worked an additional shift prior to this shift during the workday.

4. If the length of the shift requires a second meal break**, it must begin between four (4) and six (6) hours after the end of the first meal period. Additional meal breaks shall be either a one-half (½) hour unpaid meal break or a French meal. In no case will a second meal break be required prior to the completion of the eleventh (11th) consecutive hour of work for employees on ten (10) hour shifts, exclusive of meal breaks.
5. A meal break may begin prior to the four (4) hour point in the shift, provided at least thirty (30) minutes of meal break occurs after the four (4) hour point in the shift.
6. French Meals. The Company, in lieu of a meal break, may provide a meal of acceptable quality (agreed to by the Crew Chief) for all personnel, within the same time range. No penalty payments are required. Once distributed, a minimum fifteen (15) minute break will be called to allow the crew time to eat without leaving their assigned work station/location. Work time shall be continuous unless a break of one-half (½) hour is provided. Food and beverage supplied as a French meal are at the Company's expense.
7. Grace Period. There will be a twelve (12) minute grace period prior to the imposition of any meal penalty. The twelve (12) minute grace period may not be scheduled, but may be used when

* Applies to full time Entertainment Technician, Costuming and Cosmetology classifications. See TERP agreement for meal penalty provisions applicable to TERPs.

** A second meal break will be required on a scheduled shift that is fourteen (14) hours or more.

necessary to complete work in progress. The grace period provision is applicable to Film & Tape operations and Resort/Theme Park dress rehearsals, sound checks, and shows.

8. If an employee does not receive the meal break or French meal as indicated hereinabove, the employee will be paid the meal penalty specified in Section (a).
9. The parties recognize that there may be unexpected circumstances where employees covered by these meal provisions are required to work through the night at locations where meals are not readily accessible, such as when cafeterias are closed. Where such unplanned or unscheduled events occur such that the employees do not have adequate notice of the need to bring their meals, the Company will give consideration to providing meals.

EXAMPLE OF MEAL PERIOD PENALTIES

Scheduled shift: 08:00 to 16:30

Shift: 8 Hours	08:00 - 12:00	12:01 - 14:00	14:01 - 16:30

The following guidelines have been established for payment of hourly employees for time spent in travel and work on Company authorized business trips. These procedures have been developed to specifically apply to travel by employees represented by I.A.T.S.E. as listed in Appendix A, attached hereto.

A. QUALIFICATION

On those occasions when the employees of Walt Disney World Co. are requested to support a road show or to provide technical assistance to any Walt Disney World Co. promotion, production or presentation, requiring overnight accommodations at an off property site, every effort will be made to send a Walt Disney World Co. employee, represented by I.A.T.S.E. Local 631, on the trip. On a yearly basis the Company will post a sign-up sheet and give consideration for employees interested in travel.

B. COMPENSATION

1. Each Walt Disney World Co. employee assigned to a road show/touring situation will be paid in accordance with the classification rates listed in Appendix A, and the guidelines contained herein.
2. At least one member of each crew will be designated as Crew Chief for the tour, (excludes classes and training).
3. A payroll week shall be defined as a period of seven (7) days, starting at 12:00 a.m. (midnight) on each Sunday and ending at 11:59 p.m. on the following Saturday of the same week. A payroll day is a period of twenty-four (24) hours, starting at 12:00 a.m. (midnight) and ending at 11:59 p.m. on the same day.
4. Road shows of less than seven (7) days shall be paid on a flat daily rate per day. Hours worked in excess of fourteen (14) in a payroll day or sixty-five (65) hours in a payroll week will be paid at double time. The double time rate for this purpose will be two (2) times the employee's hourly stated straight time rate as outlined in the Service Trades Council Agreement.

- 5 Road shows of seven (7) days or more shall be paid on a weekly rate, pro-rated to a daily rate as appropriate (i.e., weekly rate divided by 6). Hours worked in excess of fourteen (14) in a payroll day or sixty-five (65) hours in a payroll week will be paid at double time. The double time rate for this purpose will be two (2) times the employee's hourly stated straight time rate as outlined in the Full Time Service Trades Council Agreement.
6. The following additional rules shall apply for pay for mixed weeks comprising both road trips and daily operations at Walt Disney World Resort:
 - a. Where a trip begins after the start of a payroll week, employees shall be paid according to their normal hourly payment schedule as outlined in the Full Time Service Trades Council Agreement for work performed prior to the trip. However, the hours worked that payroll week will count for purposes of applying toward the sixty-five (65) hours in a payroll week.
 - b. Where an employee begins a trip at the start of the payroll week, then following their return to Walt Disney World Resort property, the employee will revert to his/her normal hourly payment schedule as outlined in the Service Trades Council Agreement. Hours worked while on tour will be included in the computation of total hours worked in a Walt Disney World Co. payroll week for overtime eligibility.
 - c. An employee returning from a trip to daily operations shall be subject to turnabout at his/her stated rate as outlined in the Full Time Service Trades Council Agreement.
7. Employees shall be required to maintain an accurate log of all hours worked and should report the hours to management each week.

Third and each succeeding one-half (½) hour meal delay or fraction thereof	\$10.50

Employee must notify the shift manager of impending meal penalty a minimum of thirty (30) minutes prior to penalty. Failure to do so eliminates the Company's obligation to pay the prescribed penalty. Daily Ops shifts are excluded from notification requirement unless the Employee worked an additional shift prior to this shift during the workday.

3. If the length of the shift requires a second meal break*, it must begin between four (4) and six (6) hours after the first meal period, exclusive of meal breaks. Additional meal breaks shall be either a one-half (½) hour unpaid meal break or a French meal.

If an employee does not receive the meal break or French meal as indicated hereinabove, the employee will be paid the meal penalty specified in Article 4(a).

4. French Meals. The Company, in lieu of a meal break, may provide a meal of acceptable quality (agreed to by the Crew Chief) for all personnel, within the same time range. No penalty payments are required. Once distributed, a minimum fifteen (15) minute break will be called to allow the crew time to eat without leaving their assigned work station/location. Work time shall be continuous unless a break of one-half (½) hour is provided. Food and beverage supplied as a French meal are at the Company's expense.

Only those provisions specifically set forth below shall have application to employees working under this Addendum.

ARTICLE 2. SCOPE

The terms and conditions of this Addendum shall only be applicable when the Company requests and accepts a temporary employee referred by Local 631 to supplement the existing workforce in the Convention and Entertainment Technical areas.

ARTICLE 3. REFERRAL PROCEDURE

The Company shall follow the employment procedure set forth below, employing casual employees in the classifications listed in Article 6.

- A. I.A.T.S.E. Local 631 agrees to maintain an updated list of persons who are able to demonstrate their qualifications and are available to work as casual employees in the classifications listed in Article 6. Said list shall be maintained on a non-discriminatory basis without regard to race, sex, national origin, ancestry, religion, disability or sexual orientation, as provided in federal and state legislation and shall not be based on, or affected in any way by, Union membership, by laws, rules, regulations, constitutional provisions or any other aspect or obligation of Union membership.
- B. When the Company needs casual employees in the classifications listed in Article 6 to supplement its regular work force, it shall, prior to hiring from any other source, request that Local 631 provide it with the names, telephone numbers and addresses of persons on the availability list who are qualified for the job in question. The Company agrees to employ a person from said availability list rather than from any other source, provided that the Company determines, in its sole discretion, that one of the persons on the list is qualified for the job. The Company agrees to exercise its discretion in good faith. If the Company determines that none of the available persons on the list are qualified for the job, it may hire from any other source. The Company's determination as to an individual's qualification shall not be subject to the grievance and arbitration procedure.
- C. Any person who has been discharged for cause by the Company shall be removed from the availability list for a period of at least one (1) year. Any person found by the Company to be unqualified for a position for which he/she is listed shall be removed from the list for that classification until such time as the Union is able to demonstrate that competency has been obtained.
- D. The Company shall refer interested applicants to the Union for referral under this procedure.
- E. The Company shall have the right to "call by name."
- F. Existing Casual Regular employees of the Company are "grandfathered" and accordingly, exempted from this procedure.
- G. The Company may hire casual employees in any job classification should the Union be unable to refer qualified employees as provided in section (b) above.

- H. A Stagehand that works as a TERP for a minimum of three (3) years or 2000 hours shall be referred at the Stagehand 1 rate.
- I. The above procedure may also be used, on a non-exclusive basis, to refer Wardrobe Referrals to Creative Costuming. Such use shall not restrict or limit in any way the Company's ability to use Casual employees or employees on a cross-u basis in Creative Costuming.

ARTICLE 4. HOURS OF WORK

Section 3. Workday

A scheduled workday shall normally consist of either eight (8) or ten (10) consecutive hours based on the normal shift length in use at the location for which a TERP is requested, unless a minimum of four (4) but less than eight (8) hours is specified at time of call.

Section 4. Meal Breaks

In no case will a second meal break be required prior to the completion of the eleventh (11th) consecutive hour of work for employees on a ten (10) hour shift, exclusive of meal breaks.

* A second meal break will be required on a scheduled shift that is fourteen (14) hours or more.

If an employee does not receive the meal break or French meal as indicated hereinabove, the employee will be paid the meal penalty specified in Section 4(a).

The Company may schedule the rest period in accordance with its needs. Rest periods will be provided as nearly as possible to the middle of each half of an eight (8) hour shift or near the middle of short four (4) or six (6) hour shifts unless otherwise agreed to by the parties. An additional fifteen (15) minute rest period will be guaranteed to an employee who works at least four (4) consecutive hours beyond the end of **her/his** regularly scheduled shifts. When the Company fails to provide a break(s), the employee will receive an additional fifteen (15) minutes pay at the appropriate rate for each missed break, or be released from shift fifteen (15) minutes early for each missed break.

Section 6. Call Cancellation/Report Pay

- A. Calls not canceled by 12:00 noon of the day prior to the call shall be compensated with four (4) hours pay.

- E. When there are two (2) hours or less between two shifts, the time between shifts will be treated as continuous time and will be paid at the applicable rate.
